The message in red font is very important. Students have to click on **Mark as Final** (Tab) in order to submit the assignment for grading. Your instructor cannot grade the assignment until it is **Marked as Final**

Important Information:

When you are ready, mark this assignment as final and it will be submitted for grading. Once you mark the assignment as final, you will not be able to **add, edit, or remove** any files. Please be sure you have fully completed the assignment and consider your submission final before marking it as final.

You must **mark the assignment final** or you risk the assignment being marked late and/or getting a 0.

Mark as Final

Successful completion shows time, day, month, date and year the documents has been submitted. **Note: this assignments has not been graded yet.**

Coursework

You submitted your assignment at 11:25 AM, Monday, September 20, 2010. It has not yet been graded.
